

The Southern Hills Business Association (SHBA) was organized in October 2001 to connect business owners and professionals interested in promoting community renewal, revitalization, new business development, and economic development in the Southern Hills area. SHBA promotes community events that distinguish Southern Hills as a unique and vibrant part of Shreveport.

Members of the Southern Hills Business Association benefit from many opportunities including:

- Monthly forum to share concerns, exchange ideas and develop initiatives for the betterment of the area.
- Social networking on and off line to bring greater exposure to member businesses, products and services, as well as special programs spotlighting business, culture and educational opportunities in Southern Hills.
- A resource center providing information on real estate available for sale or lease, new and existing business information and workforce training.
- Access to business conference center for meetings and events.
- Promotion on SHBA website with logo, contact information and hyperlink to business website.

SHBA welcomes your membership and active support. Membership is open to any business owner, partner, corporate officer or designated representative of a recognized business, business activity, profession, or other legitimate business enterprise with an interest in doing business in Southern Hills.

Membership dues are billed on an anniversary basis.
