

PRESIDENT'S MESSAGE

Month after month our association continues to bring dynamic speakers with impactful updates to our members. This past month was no exception. Gard Wayt, Director of the I-49 International Coalition, provided a historical account of the development of interstate highways and specifically the building of I-49. As Wayt outlined how the coalition was developed and the work that has been done to ensure the completion of this important highway that connects North America to South America and travels through our great city, it reinforced the significance of our own association as a catalyst to bring progress to Southern Hills. Working together we can make great things happen. If you have ideas on initiatives that you would like to introduce to Southern Hills we want to hear from you. Your contributions matter and as a member of SHBA we welcome your input at our monthly board meeting.

Thanks again for your help in Keeping The Hills Alive,

Lt. Richard Corbett
SHBA President
Caddo Parish Sheriff Office
Safety Town
