

PRESIDENT'S MESSAGE

The thrust behind our mission is to help you grow your business. The Southern Hills Business Association provides a large number of activities throughout the year to ensure you have opportunities to network with area business professionals, residents and prospective business owners. During our recent general membership meeting Bob Breaux, the Louisiana Director for SCORE, a small business mentoring affiliate of the Small Business Administration, shared how important mentoring and growing small business is to America and how all of us can benefit from their services. Established business owners as well as prospective entrepreneurs were in attendance to tap into the resources offered by the SBA and SCORE. That's right, you don't have to be a business owner to attend SHBA meetings, you can be a student aspiring to live the dream of self-employment. SHBA is here to serve you, whether you are just starting a business or wanting to take your business to a new level of success. Save the date for our upcoming networking event on Tuesday, August 30th, an ice cream social from 5-7pm at the Shreveport Firefighters Museum at 7300 Mansfield Road. **AND BY ALL MEANS, REGISTER NOW TO PARTICIPATE IN THE BIGGEST EVENT OF THE YEAR, our EXPO and Taste of Southern Hills, which is set for Tuesday, September 27.** For all the details check out our events calendar.

Thanks again for your partnership in Keeping The Hills Alive,

Lt. Richard Corbett, SHBA President
